“ *Al would sit by me at the 8:00 service at Arab First Methodist Church on Sunday mornings. He would always ask about my family and if we had had a good week. He was a true friend and I loved him a lot. We would sometimes talk about family matters and we would both tear up. We also served as ushers for many years on third Sundays. May God rest your kind soul, Al. I love you and will miss your friendship. Don Chafin*
