“ Nicole was such a sweet person! We worked together for awhile and i just loved her. We got our belly button's pierced together one day and one year for my birthday her and her kids decorated my car and it was so much fun! She will be missed. Last time i talked to her we were going to get together and have lunch/dinner....really wished we had gotten to do this. RIP Nicole.....Allie & Nick are very blessed to have a great mother.
