“ *I am so very sorry for your loss. May you find comfort in the Bible's hopeful message where it reveals that God's purpose is to restore the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. "The hour is coming in which all those in the memorial tombs will hear his voice and come out." - John 5:28,29. I hope that you find comfort through the power of heartfelt prayer to God and your wonderful memories during this difficult time.*

“ *I am so very sorry for your loss. It is comforting to know that our Creator, Jehovah God, understands our grief. More than that, he longs to use his almighty power to restore life to the dead. Notice the hope conveyed in the words of Job, recorded at Job 14:15: "You will call and I myself shall answer you. For the work of your hands you will have a yearning." We are the work of God's hands and the Creator who was responsible for our life can certainly restore us to life after death. Not only that but he has a yearning to reunite us with our dear loved ones. May these thoughts along with your warm memories give you comfort during this difficult time.*
