“ Our dear Ann! When her husband, Charlie, became our hiking club's 1st member to complete the Appalachian Trail we met and fell for his sweet wife Ann. The Vulcan Trail Association would go to visit them in Guntersville. Some would go hiking with Charlie and some would go spelunking. Ann would fry up the catch of the day and her kitchen was the gathering place. We loved her warmth and loads of laughter too. Her stories were just as neat as his. We are so sad and send our love to all the family.
