“ Family,
I'm sorry to hear about your loss, a very sad
time for sure,
But know the memory of your loved one is in
your heart and will always endure.
May you always think back with fond memories, as I will too of
shared good times.
We will remember her with laughter, not with a tear drop in our
eyes.

God bless each of you,

My words, tears, screams, cry's could not and will never be able to express how much I MISS YOU!!!!
