“ *My son Chris and I got to know Bernetha at work where we visited just about every week for years. She would spot us coming in the door. Bernetha was the nicest, most positive person that had a positive impact on everyone around her. She will be missed.*

“ *Bernetha, you are truly one of a kind. Working with you was never dull. You showed everyone that they were special to you. You always had a smile, a laugh and a huge heart full of love. I will miss you my sister until we meet again.*

“ Our hearts are so heavy & deeply saddened to learn of Bernetha’s sudden passing. Though it’d been awhile since we’d seen her, we stayed connected & kept up with each other via social media. We’ll cherish the fond memories we created growing up together during our Guntersville summers. Our love & most sincere prayers are extended to her sons, grands, family & friends. To be absent in the body is to be present with the Lord, hold to God’s unchanging hands....

“ We are so saddened today to learn of Berneatha’s passing. Having spent our summers in Guntersville while growing up, we have lots of fond memories of her. Though we hadn’t physically seen each other in a while, it did our hearts ❤️ good to keep up with each other by staying connected via social media. Our deepest sympathy and prayers 🙏 are extended to her sons, grands, family & friends. Be comforted in God’s Word, hold to His unchanging hand and know, to be absent in the body is to be present with the Lord. #RestinParadiseHomegirl 😊
