“ *My mama...my sweet mama.She loved us kids better than life.She worked at the chicken plant providing us 4 kids with a home and food.Send us to school ,bought our clothes and food by herself.She never once fussed or complained.Started work at the chicken plant with holes in her shoes...
A piece of car.But she worked for her kids to have things.I could always call mama when I had troubles and she would say exactly what I needed to heat.Mama please know how much we loved you.I feel like somebody ripped my heart out 3 weeks later.I give you my heart and soul tonight and my tears and I want you to rest easy and wait for your girls.I love you mama*
