“ Aww these pictures ☐

I will always remember the summers we spent with you in Alabama! The 5 times a week we had to go to church 🙏 Maybe not that many but I am glad you and Pap taught us about Jesus! Something that will stay with me forever! All the snapping green beans, canning tomatoes and pickles from the garden 💕 I miss you like crazy! I wish I had seen you sooner. As I look at some of the pictures from a few years ago how can no one know you were getting sicker?! I can tell by looking at them.. Though my heart is not ready your body was. I'm glad you are in no more pain and you have a perfect "body" and have no more worries. Down here we are crying tears of sadness and you have tears of joy meeting Jesus. Please take care of Pap he is missing you so much. And the rest of the family too. 🌟 See you in heaven!
