“ *Braedon you were one of a kind, you had the biggest smile and always quick with a joke. You became a son to me the day you and kaylie told me that y'all had “an accident” and that “accident” was the biggest most wonderful surprise ever, my granddaughter Oakleigh, I will always be grateful that you gave me my first grandbaby. I will forever miss you and my heart is absolutely broken for you and oakie. I promise I will keep your memory alive every day by telling Oak what a wonderful daddy you were and how you loved her more than anything in this world. I will tell her how you loved baseball and was really good at it!! How you loved to duck hunt, and play with Wilson and Remmy. I wish more than anything you could be here in person to raise her, teach her to be a lady and watch her grow up but I know in my heart that you will forever be her guardian angel watching her from above every moment of everyday. I would give anything in this world to see your smile again and to have one of our talks. I guess I do have a piece of you hear because every time I look at oak and see her curls and her beautiful smile I know she got them from you💕 fly high B and know that you were so loved!*
