“ My deepest sympathy to the family. Carol and I had just talked several weeks ago. We were both Washington High School grads in 1952 in Sioux Falls, SD. I flew down to Guntersville many years ago and took care of the B & B business for a week-end when Carol went to New York for her daughter's wedding. It was an exciting experience. Another memory was the time I visited Carol in Connecticut. We took the train to NYC and had a very grand time. She had a very successful B & B and was an excellent cook. I have one of her cookbooks. She was a definite asset to the community and will be missed I am sure. God Bless everyone.
