“*Cyndy lit up any room she was in! I met her in The Woodlands TX and we were involved in numerous card groups. Cyndy loved to play cards and we all always had so much fun together! We also have a home in Lillian AL, not far from the home that she and Dan own there. Cyndy and I were preparing for a “Girls Getaway” at our homes before she got sick. She and I continued to talk and plan during her illness giving us both hope that she would beat the cancer. Cyndy is going to be missed so much! She always had a positive attitude and a smile that would light up the room! She was definitely one of a kind! Heaven has received a very special Angel !*
