“ I still can't believe you're gone dude... I was just thinking of you the other day.. It's hard to think we aren't neighbors anymore, or that I'm not on my way to pick you and David up for shenanigans or to go harass your dad lol. We had such good times just being silly and I'll never forget them. Rest easy my dude, forever in our hearts

“ This is David Ferguson, I broke down today thinking about Daniel and how he was really trying to be a good brother to my son (little David) he would sat for hours patiently waiting for David to open up and talk to him , he was trying to do right and be a good influence on his brother
