Captain Bankson was a decorated law enforcement officer, having served for more than 40 years. At the time of his passing, he was Jail Administrator/Warden at the Marshal County Sheriff's Office. He loved his career and took pride in every detail. A natural leader and commanding presence, he had great respect for the law and those who, like himself, devoted their lives to serving and protecting the public. Those who knew him would say that he could be very tough. but that he had the biggest heart in the world. His passing will have a great impact on the law enforcement community and he will be greatly missed in that capacity.

Dewayne was a 1967 graduate of Gaston High School in Gadsden, AL, and a loving family man. He played the roles of devoted husband, father, son, brother, uncle and cousin with all his heart. His “pride and joy” was daughter Alicia (“Ali”). They were “thick as thieves” and had plans to travel in the near future. He was overjoyed to have recently reconnected with his siblings and was looking forward to spending time with them. He loved children and animals, enjoyed barbequing, hunting, fishing, and he was almost always “up to something.”

“ *I only knew Warden Bankson a few years. I would sit at the carwash behind the Sheriff's office with him on Saturday mornings from time to time and listen to some of the funniest and craziest stories I ever heard. I have a lot of respect for Warden Bankson and always will.*
