“ Don is a great brother in-law, he was God Father of my daughter Tarah. Memories of him sitting on our porch in the 60's and 70's playing his guitar singing for the family. My friends made sure they would be there when he came home just to hear him. Riding in the convertible Mustang that was green to go to the drive-in with him and my sister Irene after he bought it. He also was a great artist in drawing which he always would draw pictures of Irene during their dating time and after they were married. Spent my summers with Don, Irene and nephews when they came back to the states after serving his overseas duties. My niece Mary came home with Don and Irene after serving his tour in the Philippines which our family was excited to have her to love. Ronald, Paul, Donald and Mary my heart goes out to you for the loss of your dad and prayers to your families. A brother in law who I'll miss and I feel sorry that my daughter didn't have the opportunity to remember him since he wasn't allowed to be around after his second marriage. We're going to miss you Don now that you're with God and happy to know that nothing will stop you from being with us now. Kathy Heuton Ellington

“ Don and Melissa were our neighbors once and then I was lucky enough to have them as members of my church in Gatlinburg. Don was a great person to be friends with. A wonderful disposition and always willing to help. We are saddened for this loss and will keep his family in our prayers.
