“ *What a great loss. Jody and I are just so stuned at the news. Early was such a wonderfully sweet man, I believe it when it's said that he always thought of others more than himself. Jody and I would see him in Walmart a lot and he would just STOP, just stop and talk. He made it feel like nothing else mattered, but you! That the rest of the world could just go on. He was never in no hurry to say goodbye. A true person that loved everyone and always wanted to spend time with them. Well Early, Jody and I will miss you and those moments but we will always remember them! Good bye dear friend, for now!*
Love
