“ To the Breedlove and Hundley Family,
This is a hard day! Yet, we rejoice and praise our God and give thanks for Auntie's life, "Our G'ville Village," and all the deposits, shaping, molding, building, guidance and direction given to us, through this beautiful vessel. As we reflect, we recall all the times of joy, sharing, sleepovers, shopping, feasting, fellowships, fun, laughter, loving, learning, cookouts and ...of course, crying! ... we had the blessed opportunity to partake of during our numerous stays in the Hundley's home, while simultaneously under the watchful eye of this guardian angel, mighty prayer warrior and WOG. As we stood in her steadfast, unmovable presence, it's those face-to-face convos, cards, letters, calls and ALL those meaningful, rich experiences spent w/her that we'll carry on in our hearts. Forever! God blessed you with a long, fruitful, productive and prosperous life. In turn, you blessed Him by spreading sparkles of goodness, gentleness, kindness and God's love everywhere you went. You've left indelible imprints engraved in our souls; therefore, your positive influence, Auntie, shall never be erased, nor forgotten! Thank you! Thank you so very much!
We deeply regret we cannot attend your Homegoing Services today. Covid-19 has unfortunately invaded our home. But please know, Butch, Cookie, Claude, Greg and the rest of the family, we are ALWAYS, always with you in spirit!!! Rest on, Sweet Soldier of The Cross! We'll see you in the morning...

The Beardens*

I pulled a few pics from my archives to share. They were taken from one of numerous celebrations held at Claude's. We were so elated to partake in her birthday party that year. Seems like just yesterday!

Thank you so very much for kind words. My grandmother was a very special person that loved us all unconditionally. I'm very thankful that the good Lord chose me to be her grandson! I wish every child could a grandmother as I did! Love you and thank you once again!
