“ From the time Gary moved to Guntersville, all through high school, I had no better friend. He and I had many great times. I did get a chance to visit with him on Wednesday for a little while. We remembered some of those good times and he told me about his family. The biggest smile was when he told me about his granddaughter. He was extremely proud of his children and the adults they had become. To the entire family, my wife Cathy and I are thinking of you and praying that you will receive peace and comfort for your loss.

“ We are so sorry for your loss in the death of your Dad and grandad, Gary Williams. He was a very special man who loved his family and was so proud of each one of you. He will be greatly missed by all his friends as well. We treasure the times we visited with him in the last 12 years since moving back to Guntersville. We pray for you to be comforted by God's Holy Spirit and that in your great grief you may find some relief to know that Gary is no longer suffering or sick. Gary had the most wonderful smile and truly had a big and generous heart. He was a faithful father and kind and loyal friend. sincerely, Kathy and Bud Lawlor (Kathy was a classmate of Gary.)

“ I was very saddened to learn of Gary's passing. He was always a wonderful friend and I was honored to have him as my escort during our high school Sophomore year Homecoming festivities. He has left us much too soon but I am comforted knowing that he cared for his family more than life itself..He was so proud of you children and your athletic and scholastic accomplishments. Please be comforted knowing that he was loved by all who knew him.

“ Pat, Ted, and family:

My deepest sympathy at the passing of Gary. Kay, Timmy, and I are deeply saddened at his death. I fondly remember our times growing up together, attending school together, going to church together, and of our families being so close. I hold these memories in my heart.

I pray that God grant each of you His peace and love and that He comfort you in the days to come.

Again, my deepest condolences. Kathy (Parker) Morita

“ Sarah, Chris, and Adam, you and your families are all in my thoughts and prayers. I am so glad I was able to visit Gary a couple of times last week. He was so proud of you and spoke of his love for all of you. He was resting peacefully when I left last Wednesday after giving him a couple of bites of a vanilla Frosty which brought a smile to his face. He is gone too soon, and I will miss that smile. I lost my dad 3 weeks ago. He had a long life (92), but it is never easy letting go even when you know the pain is over. Please let me know if I can do anything for you or your family.
