“ *I always loved going to the lake when all his friends had a fish fry. But one of my favorite memories was Patsy was watching Caleb, he was probably 2, Patsy called me at work and all I could hear was Caleb crying. He wanted to go home with Pawpaw and Nanny. Pawpaw told Patsy to call me and to tell me he was taking him.*

We will all miss you Herman Reynolds. Rest In Peace

“ *Uncle Herman as he was known to me was a big part of my growing up. He was a long time friend of my family and really just an extension of my family. He was one of the mentors to my dad and to myself . I can not remember when he was not a part of our life and he shall be missed. I will always have fond memories of Uncle Herman and the whole Reynolds family.*
