“ I don't know what happened to the first memory I shared but I will share again. Hiawatha was my Mother's brother and my Uncle. He was such a fun loving man and always so kind. He gave the best hugs and was always eager to talk with you. He was a well read man so he was loaded with information. He loved to dance and was very good at it. He loved his children and grandchildren very much. He will be missed at the family gatherings. I loved him very much and will miss him. He was the best Uncle!

“ Hiawatha was my Mother's brother and my uncle. He was a fun loving man and could give the best hugs. He was so kind and he could remember so much about the past. He played football at Albertville High School. I will miss him at our family gatherings so much. He always told me that he loved me and I loved him. He was the best Uncle!

“ Chief was a big influence in my life as a teenager at Woodlawn Church of Christ in the 1960's and 1970's. He was always so upbeat and happy. He drove us kids to many events in the Church van. I havnt seen him since but I will never forget him. He would always repeat the same joke that somehow, I think of often..... "What's the difference in an orange.....A bicycle because a vest has no sleeves!" I just wanted to say something good about him here because it is the memory that I have of Chief Eason.
