“ Jack, was a terrific person, and have many great memories of Jack while in the 82nd and following his career. The world has lost a great teacher, leader, and hero.

“ Jack was my Dad and my hero. I am blessed to have a lifetime of memories of my awesome Dad. From my earliest memories in Fayetteville of my Dad taking naps with me while I tried to match my breathing with his (I had to take two to three breaths to his one), to early memories on Okinawa where he took my sister's and I to John Wayne movies and taught us to swim, to Delta Force parties where I watched him run foot races against much younger soldiers (and beat them), to the Bad Toltz years where he and Colonel Katz had a swimming race that began with Dad jumping in the pool and immediately losing his swim trunks so he swam and won the race in the nude, to the Ft Lewis years where I didn't see him much but always knew he was a phone call away, to the Key West years- so many awesome memories! My favorite is when he took me spear fishing at a jetty. We kept watching a large bull shark circling by. When I attempted to shoot a fish the shark dove after my spear to collect the fish it thought I shot. I dropped the gun, swam to my dad and informed him I was going back to the boat and he could get his speargun I had left back with the shark. He laughed- was so patient with me. I was also there when he taught some kids to do a backflip in the nude! My Dad was a character, but so much more. He was a bad ass, but the most humble man I've known. There will never be anyone else like him. I'm glad he touched so many lives, because he made the world better with his presence. I hope we all can do the same to honor him.

“ *I am so sorry to hear about Jack. I remember the very first time I met him. I was brand new to the SFUWO community, 1993. There was a party at the pool and as we walked into the pool area there was a man standing on the edge of the pool with two kids. Teaching them to do a backflip (If you know him you know what he was wearing!) I met both Kat and Jack that day. He was such a kind and funny man, I remember his boat. It was one he dragged up from the bottom of the water and salvaged. and he loved to go spearfishing, punching away any sharks who came for an easy meal. Always a smile to greet you. Jack, will be long remembered by everyone who knew him. My most sincere condolences to everyone who lost him, Big hugs to Kat, Rest in Peace Jack.*

“ My SGM, my friend, my brother you will be missed but not forgotten. God Bless You, Kat and Family. We lost a husband and brother that lived on principles not held by many, he was truly a quiet professional; not because of the Green Beret he wore but by the character of the man who wore it. Jack was a rarity, the most down-to-earth SGM, and the most awesome person to be around. I had the privilege of being under him in Bad Toelz and then again, in Key West, keep those Blue Marlins and Red Snappers pouring Jack. God Bless America, God Bless Kat, and God Bless You, Jack. Rest in Peace, My Brother.

“ Jack was one of the greatest and grateful I had the honor and privilege to serve with him both in Bad Tolz and later at Ft. Lewis. Our paths crossed again when he worked at SFUWO in Key West and I was working at SWC. I'll never forget my E-5 to E-6 promotion board. He was the president of the board and after getting grilled by the other Sergeants Major and First Sergeants he only had one question for me. He looked at me sternly and said, "SGT Gough, what color is a brown dog?" I almost had a melt down trying to think what he meant by that but maintained my composure and answered him, "Brown, Sergeant Major" to which he replied, "Good answer". Hoisted many a beer with him. He will be missed.

Wishing you the best during this difficult time Kat. Always remember the Brotherhood is there for you.
