“ I was so sorry to hear of Julie's passing. We went to Banks together. I haven't seen her in many years. She had the best laugh ever. I can see her now. You couldn't help but laugh with her. I'm so sorry for your loss.

“ *I worked with Julie at The Home Bank and she and I had the best times together. She always told me about her boys and kept everyone laughing, especially myself. We kept in touch after I moved away. Your smile was infectious and your laugh contagious. This world will never be the same without you in it. Shine bright my friend and know that I love you.*
