“ Heartfelt sympathy and prayers are extended to our "play" sister and longtime girlfriend, Vanessa (AKA: Cookie), and the entire Roberts and Hughes families, in the passing of Larry. We will always remember the fond times with him and that melodious voice. Can hear "Doc" now, forever making you burst at the seams and buckle over with uncontrollable laughter! Ahhhh! laughter; great medicine for the soul!

May God comfort and strengthen you, girl, as only He can, and give you peace. Especially throughout this Holiday Season, and the days, months and years to come.

We love you, Sis!
