“ I am so very sorry for your loss. May you find comfort in the Bible's hopeful message where it reveals that God's purpose is to restore the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. "The hour is coming in which all those in the memorial tombs will hear his voice and come out." - John 5:28,29. I hope that you find comfort through the power of heartfelt prayer to God and your wonderful memories during this difficult time.

“ *lloyd was my brother-n-law , we didnt see each other to much but when he was around we got along great, he was always excited about dallas cowboys, he loved his kids and was always bragging on them all the time, floyd and him had great stories of some of the stuff they got into when they were kids, they of course got in trouble alot , floyd told me they were outside playing under the porch and goofing around when they spotted a bee hive and of course boys get into things. next thing them two are running , the bees were showing them who was boss. that a story Floyd remembered when i started writing. , I really enjoyed the time with Lloyd , we will miss him . love from your brother floyd and sister-n-law becky and family*
