“ I miss you everyday, at one point we were close but drifted apart. How I do so regret not keeping in touch. You’ve been gone for years and I still half expect to see your messages pop up on my phone, especially during the worst days. You had a habit of making sure I was okay. I’m glad we were never on bad terms. That’s the only consolation I have. I hope when it’s my time, we can be best friends again. I’m glad to know you’re happy in heaven.
