“ *As we look at the picture on this page, we are saddened by the fact that we will no longer be able to be greeted by that sweet smile. Louise was such a warm, friendly, caring person, whom we were proud to call our friend. We will miss the greeting cards that she sent for every important occasion in our lives. We loved her and will keep her in our memories for years to come. Sam and Barbara Hollingsworth*

“ *So sorry to hear about Louise. She was a neighbor and a very good friend when they lived in Huntsville. Her daughter Suzanne and my daughter, Diane were very good friends. She always had a smile on her face which lit the world around her. She will be missed by her family and friends. Prayers for the family as they go through this very difficult time. Love to all.*
