“ My deepest sympathy to Charles/Glinda/family with the loss of their dear loved one, Mary Elizabeth Cook. I remember her well coming to our Parker Reunion and truly entertaining us all intimating Minnie Pearl! She was EXCELLENT with her costume and story telling where one would have thought it was Minnie Pearl!! I wished the skit was on video because she was so good! I know I flew back to Jersey and continued to say "Hooooooooowdy, I'm Minnie Pearl!!!!!" She was a delight!!!!

“ Mary didn't let much slow her down. I always admired her honest opinions and views. I learned a lot from just knowing her.

“ You were the first to show me the ropes at Snead. The first to clue me in. The first to fight the system and shake your fist at power. The first to make me understand when to shake my fist and when to shut up and move on. You were such a help...such a joy...and so much fun. I shall miss knowing that you are in this world with us. Much love. Grover Kitchens
