“ *While we couldn't be there for Mike's last breaths, I am glad we were able to make it down and see him before he passed. I will remember forever the smile on his face when he watched the video of William playing Tball. With everything going on, he still looked like such a proud Grandpa. You are an absolute inspiration to me as to what love and a marriage means. I hope that you find peace and comfort in the next few weeks. We love you and will see you soon.*
