“ *This is for Mikes beautiful wife and devoted parents . My heart goes out to you all at this unusual hard time , Death is truly an enemy, we weren't created to live a few years and die, God created us to live forever in perfect health, however we all know the evil Satan entered the garden and Misled the perfect man and woman , and then as their offspring we all inhearted sin and death. ...that's not the end though! Job ask God ,” if a man dies can he live again? I will wait all the days of my compulsory service until my relief comes Job 14:14 “ Just as Jesus resurrected Lazarus , he promises to resurrect those asleep in death Many today ,myself included yearn for that resurrection day, In John 5:26 28 29 it says ; “Do not be amazed at this ,for the hour is coming in which all those in the Memoral tombs will hear his voice and come out “. I pray for the God of all comfort to comfort you at this very sad time . May he bless you all as he also yearns for those in the grave to wake up . I loving memory of my neighbor Mike . Jo Ridgway*

“ This one is hard to believe brother, I am so glad I stopped by yesterday to visit with you!! This doesn't even seem real; I will miss you greatly! I will miss our long calls, discussion of aspirations and dreams, hunting, fishing and just BS stories. I will miss those days in the woods, on the water and all things we did together.

Don't worry, Raquel and I will watch after Sue and make sure she is ok. Until I see you again, I Love You Brother!!!
