“ *Memories of Nancy...*
Mike and I were in the hospital delivering our baby girl, Lindsay, when things got a bit concerning. Afterwards , I was not allowed visitors. Nancy sneaked into my room and gave me 2 sticks of gum. She stayed until caught. :)

Also, I will never forget the joyful look on the grandkids faces while getting their special Christmas gifts one year...their eyes lit up as Pap pap brought in and gave each one an electric jeep!

Nancy always had special outfits for the kids at Holidays -she was so good to them.

And all the picnics down at the water hole. We would have to take the salt and get off a few leeches from the kids legs afterwards, and boy would they scream :) Good times.

“ *For Nancy's family*
She was a women who lived life, loved and fought, laughed and cried. Took on anyone and loved everyone. She was ultimately herself in all things. I appreciated knowing her and learning from her. She has passed but always remembered. I hope her love sustains all of you. We will miss her. Hank & Leslie Jo FAIRFAX VA
