“ *In ministry I traveled overseas quite often. In the Philippines the greatest heartfelt comment anyone could give is "I thank God for your Life"*
Well, I thank God for Norman Ray Moore's, my Uncle Pete's, Life. He was always a positive influence and always willing to talk or help. This world was a better place because of his presence and he will be missed. I know he is with his mother and Father, Sister and Brother rejoicing in heaven with our Lord and we will see him again someday.
God be with my Dear Aunt Ginny, Mark and Steven

“ Even though I had not known Norman for a very long time he was truly a blessing to me, I thoroughly enjoyed being around him. His family was truly blessed by this wonderful man. He touched many lives by his gentle nature and when I was around him he always made me feel blessed, I always looked forward to seeing him when he came to Opelika and we loved for him to come over and enjoy meals with us. He touched many lives along the way and he will be missed by many people especially his family whom he loved dearly. Last but not least as a fellow veteran I thank him for his service to our country and I love you dearly. As I look up at the sky at night and see the thousands of stars, I know Norman is up there looking over us all. May you rest in peace in Gods arms.
