“ Coach Lee, you were a great principal for us in 5 & 6th grades. You always had a smile to share and a handshake even so many years later remembering how it was.

Our hearts ache for the loss of another great example we have to live up to. Prayers for Ann, Andy, family and friends..

*Sincerely,
Andray Hubble*

“ We cannot count the cost, nor reckon the loss, when a good man dies. Percy Lee was such a man. I will always cherish his friendship.

“ I do not know what to say other than one great human has left this Earthly Plane for a better place. You were a wonderful coach, yet for me you were a wonderful teacher. I learned so much from you in your class and through the years knowing You and Ann, I loved you both and will keep Ann and Andy in my prayers, along with your extended family and so, so many friends. You will be greatly missed.

“ Percy Lee was the finest man I have ever known. He was a great teacher, coach and friend. I can not express in words how very much we will miss him. May his legacy live on through the men who he taught and coached as boys. Rest in Peach my dear dear friend.

We moved to Guntersville in 1961....Coach Lee was one of the first people we met. I loved him and I loved Carlisle Park Jr High School...I thought it was the most beautiful school I had ever seen. Coach Lee coached girls softball...he impacted so many young people's lives for decades in such a positive manner for so many Guntersville youth. We all share your sorrow. May it help you to know that he was loved by so many and will be missed. God bless all the family.
