“ *My cousin Phil was part of my childhood. I looked up to him as a kid. He lived the closest of my relatives. We spent many fun times with my sister and Phil at the beach. I always looked up to him. He was a great story teller. He led an interesting life. My thoughts and prayers to the family.*

“ *Phil was the first southerner I met when I moved to Atlanta in 1981. He taught me the basics of the south like Waffle House; Lewis Grizzard; go home even if it might snow; GA Bulldogs and more. I will miss his sense of humor and being able to ask him questions about nearly anything and getting his quick and intelligent response. We didn't always agree but it didn't stand in the way of being good friends. My prayers go out to Jackie and his family.*
