“ I was listening to a sermon this morning on metamorphosis. Rusty is now a butterfly free to fly around. When you see a butterfly, think of him ~ for he is now free. Free of pain and suffering. Free to enjoy his life with the Heavenly Father above. But he will always be with you. In spirit and in your heart.

“ I wanted you all to know that all though I can't be there in person to comfort in your time of need, y'all are in my heart and thoughts. I offer you the biggest hugs and a shoulder to lean on. My most heartfelt condolences during this most difficult time. Rusty was a very special man with a family that loved him dearly. Wish I had gotten the chance to meet him. I know he will be truly missed. May God's peace be with all of you and His arms provide you with rest, comfort and acceptance. All my love <3
