“ My little brother was a precious little boy. I know he is in a better place and I know he is walking, talking, and playing and having a field day in heaven. His smile could brighten anyone’s day. He loved to be sung to, he loved music. His laugh was the sweetest thing. Him in general was the sweetest human being you could ever meet. I miss you Bubba and love you very much. We will meet again some day. Rest easy my little sunshine.
