“ Bob was a wonderful man and my life is richer by having known him. I first met Bob while we both worked at Teledyne Brown Engineering in Huntsville. And then, luckily, our paths crossed again at Hospice of Marshall County (aka Shepherd's Cove Hospice) where he served as a patient care volunteer for 20 years. He had to resign from his volunteer role due to health issues but continued to share his love of the agency with others. He touched many lives during his tenure at hospice and always served with a very willing spirit as he care for those facing end of life. I am saddened over his passing but yet rejoice in knowing that he is now cradled at the feet of Jesus.

“ While I didn't personally know Bob, I feel as if I did because of my close friendship with his niece, Elizabeth Hanckel. My sincere condolences and prayers are with the entire family.
