“ Sean was one ofy dearest friends since I was about 15 yrs old. He never changed who he was in all those yrs. No matter how long we went without talking it never changed our friendship. If I ever needed anything whether it be getting my car worked on or just sitting up at his shop chilling with him and John Thomas never a dull moment with those . He will forever be one of my best friends and always carry a place in my heart. Fly High buddy Til meet again. 😭😭😭
