“ *Sherleen was one of the kindest people I have had the opportunity to know. Even though my time with her was short, I know that she had a huge impact on many lives and will be missed by so many loved ones. My heart truly aches for her family and I pray that God will ease their pain and help them to get through this difficult time.*

I have had a death in my family and I am unable to attend the service today, but please know that my thoughts and prayers are with all of you today.
