“ I have so many great memories of my Aunt Tempie. Some when I was a child growing up and every year my family would take our summer vacations to visit family in Alabama. Where most of my Daddy's family live. Aunt Tempie was always happy to see us. We always had great visits. Then in the 90's Aunt Tempie came to California to visit her family here. We had a great time, visiting, having dinners together, laughing and telling stories of the past and present. Catching up on all the kids, grandkids, great grandkids. Aunt Tempie was a beautiful Lady inside & out. I will miss her. She was a caring, and full of love, sweet Lady, who loved her family. And her family loves her. Aunt Tempie would do anything to help her family. R.I.P. Aunt Tempie. We love you dearly. Your niece, Sandy Green--Traum. 🌹❤️

“ Paul and I were bet's friends back in the day and we'd go by Reid's Restaurant when she worked there and she'd bring us a meat and 3 from the kitchen. Such a sweet and loving soul. Prayers for the family.

“ Tempie was the best mother in law I could have ever ask for. My fav
memory of Tempie was the day Paul and I got married and she was
with me and Susan Helron and we was 45 min late to her son's
wedding and she said as we got there,do you think they even know
we are late. U live her beyond words. I saw her last Thurs and spent
some time with her just reminencing about alot if the days gone by.
R.I.P. Tempie, you will truly be missed.
