“ We haven't been dancing for years, but we always loved dancing to Tom! He was a fun caller, and we always remember his goodnight to us square dancers---"now have cookies and milk and go straight to bed." What a great guy!

Our deepest condolences to his family. Phyllis and Art Geller

“ Tom Miller was a fantastic caller. He had a way of putting calls together that made you think. It was so much fun. Mountainview Squares had him call many times for our club. He always drew a big crowd as he was well known. He will be greatly missed. My sincere and heartfelt sympathy to his daughters and family. Jean Heberling

“ I am very saddened by the loss of my friend, instructor and mentor. Tom was one of my major caller instructors who was instrumental in getting me started in calling; he has been one who always kept in touch and remained an inspiration through the years.

I will miss him dearly. My prayers to his daughters and his family,

“ We first met Tom at a Country Music Festival. Tom and Betsy were calling a square dance there. Tom was still a teenager and was there with his dad. Over 40 years of friendship and working together cannot be put into words. The best thing we can say is that we were blessed to have had him in our lives. For Candace and Lindsay, you lost him way too early, but he will always be in your hearts. Memories of all that was good about him will remain forever. In his memory, 100 trees will be planted by the Arbor Day Foundation in one of the areas decimated by recent wildfires. A certificate will be mailed to Candace.

“ *We started Square Dancing almost 4 years ago and Tom Miller was one of the first names that I heard! "If you ever get the chance..." I was told. “ Where does one begin to share a memory of Tom Miller as there are so many. Being a member of the Hotlanta Squares we have had Tom as our featured Caller many times. Tom ALWAYS made every dancer within the squares to be successful and have FUN while they were following his calls or just creating some of their own. Every Summer in August both Pauline and Tom would be in Gatlinburg TN for the annual State Square Dance Convention. Even when Tom's health would not be at its best you could always count on him being there for the moment doing what he loved doing the best - calling and watching those on the dance floor having a good time. My Friend, you will be missed by MANY and LOVED that many more. RIP, Tom!

“ Tom was such a nice person, and my Mother loved him as well. I remember that she arrived at a Star Spangled weekend before I did. Tom was calling in the main room while she was dancing. He paused a moment when he saw me at the doorway. He says on the mike "Hi Russ'. After that my Mom came to me and said "you're somebody. Tom Miller acknowledged you. I thought WOW, I was a nobody till Tom made me a somebody. LOL Thanks Tom. Russ Booz

“ When I was 7 months old my parents took me to my first square dance and Tom Miller was the caller. Tom would later go on to steal my nose or gift me a baby doll if he knew my family would be at a festival. Tom was a great caller and did so much for the square dancing community. I am grateful to have known him and danced to him many times. His family is in our thoughts and prayers.

“ Tom and his Mother served the area of Loretto, his home as EMTS on the local ambulance service for many years. As a Paramedic who assisted them on emergency calls, their passion to care was 2nd to none. Tom was a great care giver during emergencies. Found memories of a friend and his mother from a long time ago.

“ Tom Miller was one of my favorite square dance callers of all time...one of the absolute best around. Every time I saw him at a dance, he would always ask me if I was behaving, and I would always tell him that everything was behavior. RIP, Tom. I will miss seeing you in a square. Karen Kushla

“ As a new square dancer in 2016/17, the dances he called were my introduction to how much fun it could be to be on the dance floor with an amazing caller at work in his craft. We prayed for him thru his difficulties with his leg, and we're hoping he'd pull thru, once again. He will be greatly missed. Sending sympathies to all of his family and close friends. May God comfort you in your grief.

“ We met Tom in Chicago at a square dance convention. He was a genuine & kind man & could he call! Enjoyed the weekend! Tom then came to Omaha for a weekend, so had the opportunity to dance to him again! Even though we had met him a few years before, he did not forget us. Tom was always smiling & treated everyone with his kind heart! He will be missed here. Heaven gained a great angel! To Tom's family, we send our thoughts & prayers. Tom will be missed, but never forgotten 🙏❤️

“ May Tom's name be for a blessing. Hoping your happy memories of Tom bring you comfort and strength.
A lesson well learned, never count Tommy's calling mistakes loud enough for him to hear it. He will get even 🤨

“ My husband and I loved dancing to Tom. His choreography was always fun. We danced with him at weekends (too few, but with a big family, we couldn't go as often as we wanted) and on a square dance cruise. I think he may have been one of the caller coaches at a couple of callers schools I attended. Tom was a wonderful man and a fantastic caller. He will be missed.
