“ My childhood memories with Tommy were all good, but I really loved spending the night and watching cartoons together on Saturday mornings with his Dad! Then we would play outside for hours on bikes or in tree houses.
Tommy always had the cool cars and motorcycles too!
We were a very close family, I'm talking Granny and her five Daughters who kept us all close. It was like having several mothers and a lot of brothers and sisters! Sometimes going years without seeing each other and still feel close when getting together.
I went to see Tommy and Melanie two weeks ago and I was trying to talk about anything except what was going on around us. He was so strong (like his Momma) and seemed to be excited showing me around his place and talking about his farm and dog!
I'll always remember his last words to me as though he knew his fate!

Aunt Georgie and Paula I love you and will see you soon!

Mel, I love you too and if you ever need me I'm only a call away! 🙏
