“ *Dear Orman and Family,*

We remember happier times when we were younger and touring the northern part of Ohio, West Virginia, and Pennsylvania with Virginia and Orman. In this restless world of struggle that faces us daily, it is very hard to find answers to the questions that fill our minds. We cannot see the future. What is beyond is still unknown for the secret of God's Kingdom still belongs to Him alone. Life is eternal because our Savior died for us. We shall miss you Virginia, but you will remain in our memories forever. Our life is a better one for having known you.
