“ I knew Wanda when she ran and cooked at her restaurant in downtown Guntersville and following her retirement, I got to know her better when she attended several of the airport breakfasts at the Guntersville Airport. She was a lovely lady and will be missed in Guntersville. Wayne, and girls, please know that You are in the thoughts of the people of Guntersville at this time of Your loss.

“ So sorry...Thought the world of her...still think of her when I butter my toast. Watching her do it in one quick motion and go on to some other cooking chore. Wanda had no wasted motion..miss those moments...much love....
